I AM A SOLO TRAVELER !! CAN I JOIN THE TRIP?

Of course, You can join solo. The majority of people join us solo on our trips.

The idea behind CoTravelln is to unite like-minded solo travelers like you in a parallel world and meet and co-travel with your new family.

Please note: We are only looking for like minded people. You should be open to new experiences, new adventures. If you are looking for a luxury vacation we are not the right travel company for you.

IS THIS TRIP RIGHT FOR YOU? AND WHY YOU'LL LOVE THIS TRIP !!

- This itinerary features some long travel days, which can be exacerbated by bumpy African roads. It is recommended that you pay close attention to the given approximations of driving hours.
- As the early bird catches the worm, the early camper sights the animals. There will be many early starts either to make use of the better safari time or to beat the morning traffic.
- Venture into the incredible Masai Mara National Reserve for a full-day game drive in an open-top 4WD, looking for lions, cheetahs, elephants, giraffes and more.
- Forget battling A/C woes and noisy fans! In our national reserve havens, you'll trade them for the cool touch of nature's breeze and the symphony of crickets chirping you to sleep. Think of it as a digital detox for your comfort zone, replaced by an authentic African slumber under a blanket of stars.
- We can't guarantee every animal will pose for your Insta-worthy snaps. But hey, that's the beauty of a safari! It's an unscripted adventure, a chance to witness nature unfold in all its unpredictable glory. Think of it like a real-life wildlife documentary, minus the narration (unless you hire your own personal David Attenborough, of course!). So ditch the expectation list, grab your explorer hat, and get ready to be amazed by whatever wonders Mother Nature throws your way.
- Life's too short to stick to a boring schedule! We reserve the right to shuffle the days if required as we go. Expect a little spontaneity, and we'll be rolling with the punches to make this trip even more exciting! While we're zooming between destinations, our food options may be a bit... limited. Think of it as an opportunity to test your snack-game skills. So, bring your appetite (and maybe a backup snack).
- The first day, there won't be an included meal when we start. Time to explore on your own and fuel up however you like — whether it's at an airport café or a local food stand!

Savor a delectable dinner featuring fresh, local ingredients, recounting the day's cultural and wildlife encounters. As the sky transforms into a canvas of twinkling stars, unwind by the crackling fireplace, sharing stories and laughter under the African night sky.
